

## EyeMobile Plus EOS Notification – United States and Canada

Tobii Dynavox EyeMobile Plus – End of Sale Notification – United States and Canada – July 29th, 2021.

Tobii Dynavox is today announcing the End of Sale of the EyeMobile Plus eye tracking bracket in the United States and Canada. As of August 13th, 2021, EyeMobile Plus will no longer be available for sale\*.

Tobii Dynavox will continue to provide technical support and repair services to the best of our ability for EyeMobile Plus customers. We will also continue to honor any standard or current warranties or support agreements. Technical support and repair services will be available until August 13th, 2026, or 5 years after the device was originally purchased, whichever comes first. Once our parts supply is diminished, repair/replacement options will be handled on a case-by-case basis.

For current EyeMobile Plus orders in process, we will do our best to fulfill them.

Follow-up on available products depends on the needs of the individual user, but in general the available options to consider are as follows:

- PCEye with EyeR: If you were considering EyeMobile Plus for gaze-enabled communication and computer access, you should consider the PCEye with EyeR.
- I-Series: If you were considering the EyeMobile Plus with Windows tablet as your dedicated communication solution, you should consider the I-Series as an alternative.

For additional information regarding the End of Sale of EyeMobile Plus in the United States and Canada, please contact Tobii Dynavox Customer Support at [www.tobiidynavox.com/about/contact](http://www.tobiidynavox.com/about/contact).

For the latest information on all Tobii Dynavox offerings, please visit [www.tobiidynavox.com](http://www.tobiidynavox.com).

\* For customers who received an EM-12 speech generating device through a funding agency with the intention of purchasing an EyeMobile Plus at a later date, we will commit to providing you with an eye gaze solution. Please contact us for more information.
